To,

The C E for Irrn

L 493 L & 12/10/46 calls for a report-

15/10 From the C E for Irrigation No 1303/S of 31 12 46 - furnishes details for the scheme for protected filtered water supply to Mudigere town Kadur Dist

3 Sd for perusal the C E for Irrigation states that the approximate cost of a comprehensive scheme 21/1 of water supply to Mudigere will come up to Rs 27,000/ as per details furnished

the approximate annual maintenance charges will be Rs 6,000/- the C E for Irrig is of opinion that the capital cost & maintenance charges will be much reduced if electric Power is supplied to the town

for orders. Whether this may be taken up after
Nira gets electric power

6) The report of the Chief Engineer Irrigation was for perusal

7) His opinion that the future improvement of water supply at Nadiad may wait till the Nira gets electric power may perhaps be accepted, if necessary.

Scheme for protected Water Supply to Mudigere Town, Kadur District

—

From

The Dy Commr, Kadur District

No A_3 C 3486/46-47 dated 8 2 47

Furnishes information regarding the financial Condition of the Mudigere ~~Town~~ Municipality for 45-46 and the expenditure incurred towards Water Supply in the Town during the last five years ending 1945-46 as called for in this office letter dated 4 2 47

13) The letter of the Dy Kadur is for perusal. The receipts of the Municipality are not quite substantial to permit of financing any such Costly Scheme

14) The average Rum Spent on Water Supply in the town is Rs 3070/- per year approximately

15) With the ~~inauguration~~ implementation of the proposed Scheme for protected Water Supply the approximate annual maintenance charges are estimated to come to ~~as~~ Rs 6000/-, besides involving a Capital Cost of Rs 27000/-

16) For orders if the Dy Kadur may be requested to explain the points to the Municipal Council and obtain their views as to the desirability of taking up the proposal

Sir,

Subject:- Scheme for protected filtered water supply to Mudigere Town, Kadur District

---

With reference to your letter No L 4932 dated 12th October 1946 on the above subject, I have the honour to state that the approximate cost of a comprehensive scheme of water supply to Mudigere Town will come to Rs 27,000/- The details are noted below

1	Cost of providing and installing a Jewell Pressure filter of 4000 gallons capacity per hour	Rs 12,000
2	Cost of one Diesel oil Engine 14 B H P	6,000
3	Cost of one multistage C F pump of 4,000 gallons per hour capacity at 300 feet head with belt drive	2,000
4	Transportation charges, erection of machinery and the cost of other sundry materials	4,000
5	Tools and Plant establishment charges at 12½%	3,000
	Grand Total	27,000

2 The approximate annaal maintenance charges will come to Rs 6,000/- The capital cost as well as the maintenance charges will be very much reduced if Electric power is supplied to the town

3 As the resources of the Municipality do not seem to admit of such a heavy expenditure, I am of opinion that this proposal may be taken up after the Town gets electricity power

I have the honour to be,
Sir,
Your most obedient servant,

Chief Engineer for Irrigation
